Dear Judge Aaron:

I'm writing this letter in reference to the Apple I-mac computer that was seized from my residence at the time of my arrest (7/7/11), (Refer to document 61, page ID # 101). During sentencing there was a brief discussion about such item being returned but since that day (6/26/12) I haven't heard anything about it again. My family has made attempts to contact my attorney (John Burke) about this matter but haven't been able to reach him. Your Honor I'm asking you to help me ~~as soon as possible~~ resolve this matter. It will be greatly appreciated. Thank you in advance.

Respectfully
Guy Curtis
